Hi Juan. This portable toilet got left behind on Mountain View following some road construction the week before last. It appears to be unlocked, and I'm concerned it's going to start attracting both homeless people and also narcotics users from Beverly/Alvarado who already come around the corner looking for a place to fix that's out of sight.

Is there anything we can do to expedite its removal? We called the 800 number for the company but they said they can't do anything about it without an order from whoever placed it. It's on N. Mountain View Ave, just north of Beverly (approximately 113 N. Mountain View).

Thanks,
Spencer Cross

Can you help me flag to United and get it removed ASAP?

Can they tell us who pulled the permit?

Hi Spencer,

We are flagging to United right away and see what we can do to get it moved ASAP.

What construction project left it behind?

Good Afternoon Shelley,

I hope you been doing well! I was wondering if can assist us with finding information regarding a portable toilet that was left at [113 N Mountain View Ave.](#)

Our office was notified that this portable toilet left in the public right of way for a construction a week before. I am not sure if this particular toilet has already served it use or is schedule to remain at the location for an extend period at a later date.

Can you look into this request when you have an opportunity?

Thanks!

Hi Juan. I'm not entirely sure which project it was. I thought it was the sidewalk improvement project in front of the medical clinic on the northwest corner of Beverly and Alvarado, but they've also been doing some kind of work in the alley that I think is unrelated and now I think it was probably that.

The strange thing is that it wasn't here during construction. They moved it here after a week and half and then picked up everything except the toilet.

Thanks Spencer.

My colleague who works with United is helping to get it addressed.

Once we get an update to share I will pass it along.

We have an open order for [125 N Mountain View Ave.](#), for Satsuma Solutions LLC. It looks like it is out on an ongoing monthly rental, with an undetermined pick up date.

Would you like us to contact the person who ordered the unit, and see if we can move it somewhere else?

Hi Shelley,

If you can help us contact them it would be great.. LAPD and the resident have already sent in a few complaints about homeless getting into it and they are afraid it will get knocked over/vandalized.

They also need to have a permit to place it on the public right of way which it looks like they do not have.

Please keep us updated with any information you can share.

We appreciate your help.

Ok, I'll send the info to the account manager for Satsuma Solutions, and have her take care of it ASAP.
